## **PROJECT ABSTRACT:**

The Association of Surgeons of India was established in 1938 to realise a long standing wish among the Indian surgeons to get together for the purpose of sharing each other's experiences and enhancing their surgical skills.

Starting from a humble beginning with a membership of 112, they have grown to become the largest association of surgeons in the country with a membership that has already crossed a count of 18000 + and increasing. They have 22 state chapters and several city branches covering 28 states and union territories. They have 12 specialty sections comprising of colo-rectal surgeons, endocrine surgeons, genito-urinary surgeons, minimal access surgeons, paediatric surgeons, plastic surgeons, thoracic and cardiovascular surgeons, oncology surgeons, trauma & critical care surgeons, rural surgeons and surgeons in the armed forces that focus on surgical excellence, education and training.

This association is dedicated to the noble cause of relieving mankind from pain and suffering through sincere and devoted service. The association strives to take the latest techniques in the surgical field even to the remotest parts of the country.

The motto of the organization is **Vayam Sevaamahe**: "They are for service"

### **PROJECT NEED:**

Various eminent speakers from surgical specialty spoke on the latest trends in diagnostics, treatment modalities and advanced surgeries. Academic sessions they are organised in all the five conference halls.

Solutions they are offered by senior faculty members for some of the commonly occurring diagnostic issues and improved surgical procedures for cases like solid organ surgery, neonatal surgical emergencies, an orectal malformations and laproscopic surgeries. Evaluation of Bariatric surgeries in Andhra Pradesh and some malignant (cancerous) conditions like penis cancer and malignant melanoma they are also discussed.

### **PROJECT USAGE:**

Doctors who are going to participating in the conference can register online. There is no need of waiting in the queue for the registration for hours and hours. They can also check availability of accommodations and other facilities.

### **BENEFITS OF PROJECTS:**

- Providing the online registrations.
- Providing the overall list of the participants participating in the conference.
- Providing the accommodations and tourism availability for the visitors.
