Implementation of e-governance

For Administration Functioning

The Accounts section use separate modules and software for its' smooth functioning. Earlier it used the Coral Ace Business Solutions for Accounting which has now been replaced by TALLY ERP9 for its additional features. Fully automated, wireless office with 24x7 internet facility. To achieve the target of Paperless IQAC, committee members of it started using Google facilities like ▪ **Google sheet:** For data collection from Various Departments ▪ **Google Docs:** To prepare notices and activity reports. ▪ **Google Forms:** To prepare Feedback forms and get online feedbacks of Students, Parents. • The college campus is equipped with CCTV Cameras installed at various places of need. ICT has been introduced in the administrative work. WhatsApp Group helps to provide the brief notices of any event to be happened on college.

Finance and Accounts:

With the aim to produce immediate information in finance and Accounts i.e., “Single Click Accounting”, this section of college is partially e-governed. The college uses the Vriddhi software, Tally ERP 9.0 for the transparent functioning of Accounts department. The same software is used to generate various reports like Consolidated Day Book General Day Book Daily Cash Collection report.

Examination

The parent university has opened portal for every college through which students' form fill-up, approval, admit cards, entry of marks etc. can be smoothly operated. In the current pandemic year, all examination related notices, schedules, instructions are uploaded in the college website. Though all the departmental teachers do communicate personally with the students through emails and google classrooms, but the presence of all information in one place in the website is very helpful for many students. As the examinations are being held digitally, thus the university question papers are also being uploaded in the college website.
